QHSE POLICY

Health and Safety Policy Statement

PURPOSE

Our aspiration is to create an Incident and Injury Free environment for all those who work on or interact with our business operations. Our policy integrates our values across the projects of AL QEGC Company assets to provide and maintain a safe and healthy workplace and communities for all stakeholders, including the general public, Employees, partner, supply chain and those who may be affected by our undertakings.

COMMITMENT

Al Qodorat Engineering General Contracting Company is committed to exceptional levels of performance in protecting its people and the environment. We believe that every incident is preventable, and that safety comes first in all our business undertakings and decisions. Every employee is accountable for safety by demonstrating their commitment to these values, and by helping their colleagues in achieving safe outcomes.

We will, therefore:

- Provide the appropriate resources, organization and arrangements to fulfill this policy.
- Meet the legislative requirements which govern our business activities and strive to achieve best practice beyond our statutory legal duties.
- Endeavor to have zero work-related injuries or illness to employees as a result of our activities.
- Provide a highly effective Health & Safety Management system which establishes our objectives & processes and seeks continual improvement.
- Incorporate all Health and Safety rules and regulations at local, provincial and national level.
- Develop an uncompromising safety culture where our people embrace ownership of the safety of themselves and others.
- Set clear objectives against our goals of accident and incident prevention, training and continual improvement across all our projects.
- Recognize and celebrate outstanding contributors to our success in achieving excellence in Health and Safety performance.

The commitment to this policy by Al Qodorat Engineering General Contracting Company leadership, management and employees provides the foundation for a safe working environment and our long-term business success.

EXPECTATIONS

Exceeding expectations on our Health and Safety goals is the key to our success. We will demand continual improvement on our journey to creating an Incident & Injury Free environment and culture, where everyone is committed to Health and Safety excellence.

Achievement of our Health and Safety expectations will be accomplished through world class leadership and supportive implementation of industry-recognized best practices and regulatory compliance.

The responsibility to implement this policy rests with our leaders, managers, supervisors and employees who will:

- Demonstrate their commitment, by their actions and decisions, to ensure that every person goes home safely every day.
- Show absolute commitment for their own safety and that of their fellow employees.
- Provide a healthy and safe environment for all stakeholders.
- Proactively identify, manage and eliminate hazards in the work place.
- Train and prepare our people to have the knowledge, skills, competency and resources required to work safely.
- Stop our employees from working if the work cannot be executed safely or if condition or behaviors on the work activity are deemed unsafe.
- Immediately report health and safety incidents, near-misses, unsafe conditions, and at-risk behaviors and diligently work to correct the problem.

COMMUNICATION

This Policy will be reviewed annually to ensure that it meets the needs of The Al Qodorat Engineering General Contracting Company and will be made available to all persons under our control.

Sincerely:

18- Jan-2024
